WARRINGTON TOWN JUNIOR NETBALL CLUB

- We are currently accepting members who are in school year 3 and above.
- U11's will either play Hi5/Hi7 rules which introduces younger girls and boys to the basics of netball and can therefore be mixed sex training squads. However, teams must be single sex from school year 8.
- We aim to start players in their own age group when they join WTJNC but they will be assessed by head coaches over time and talented or particularly promising players may be asked to train or play with an older age group.
- Players deemed to have reached the required standard, and have demonstrated the ambition and commitment to compete at the highest levels, may be given an opportunity to train or to be considered for the Thursday section of the junior club – with the agreement of both coach and parents.
- We aim to adhere to good practice recommendations in terms of numbers of players and players to coaches/adult ratio. Therefore new players wishing to join WTJNC may need to be put onto a waiting list if we are already at our safe maximum number
- If individuals have not attended training for **4 consecutive weeks** and have not informed the team manager of the reason, we can only assume that have decided to leave the club. In these cases, their place will be offered to the next person on the waiting list for that particular group
